Extra large, Endless possibilities

15MM COLLECTION

Marmo Grande

extra large . endless possibilities

Marmo grande is an extra large format porcelain based surface covering material. Created with cutting edge italian engineering production, this material offers extra large format, versatility for designs and superior physical performance. Not only does it allows seamlessness with less joints, the material also possesses high physical strength, high resistance to scratches, heat, UV, and stain. This is the perfect surface covering material that offers a combination of many advantages and endless possibilities to the world of design.

Residential Warranty

Marmo Grande are guaranteed to be free from manufacturing defects for 5 years from date of purchase (subject to warranty conditions).

Commercial Warranty

Marmo Grande are guaranteed to be free from manufacturing defects for 3 years from date of purchase (subject to warranty conditions).

Product Features

Resistant to
UV

Resistant to
Impact Force

Low Water
Absorption

Resistant to
Acid and Alkali

Resistant to
Chemical

Resistant to
Stain

Hygienic

Resistant to
Fire and Heat
