

Marmo Grande

Extra large, Endless possibilities

Marmo Grande

extra large . endless possibilities

Marmo Grande is an extra large format porcelain based surface covering material.

Created with cutting edge 100% Italian engineering production, this material offers natural aesthetics, extra large format, versatility for designs and superior physical performance.

Not only it allows seamless look with less joints, the material also possesses high physical strength, high resistance to heat, UV, and stain.

It is the perfect surface covering material that offers a combination of many advantages and endless possibilities to the world of design.

Product Features

Resistant
to UV

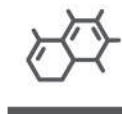

Resistant to
Impact Force

Low Water
Absorption

Resistant to
Acid and Alkali

Resistant to
Chemical

Resistant to
Stain

Hygienic

Resistant to
Fire and Heat

Format
